BRONSON CAVES
Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Okay to film at Bronson Caves on 12/08/12 from 10am to 3am.
- Okay to have 1 cast, 11 extras and 30 crew.
- Permitted to have lights and a generator.
- Okay to have video game type guns.
- No shots fired in park permitted.
- No animals permitted.
- Okay to have sparks in cave as long as fire marshall is present and no damage is done to the caves.
- Okay to have Zombie scenes in park.
- Trucks not permitted to leave after 10pm but they can pull out at 7am as long as they park in the lot and not behind the gate so they will not need a monitor.
- Okay to have 30 crew cars and 1 cube truck parked legally in lot or at sight.
- No alterations to the cave permitted without clearance from Park Film Office.
- Okay to shoot in and around Bronson Caves.
- Okay to park vehicles at Bronson Caves Parking lot and/or by clearing north of the caves.
- No digging, nailing or staking permitted on walls of caves but is okay to bull prick in ground.
- Special effects (explosions, etc) may be considered on a case-by-case basis and for exterior use only. Any special effects that may cause damage to the interior/exterior of cave integrity are not permitted. Final approval from Griffith Park Maintenance Director and Park Director is needed prior to filming.
- Introduction of large trucks that may have the potential to disturb the rock formations by vibration, weight, or otherwise must be discussed with park personnel for consideration.
- Bolting, drilling or nailing into the cave walls is not permitted. Existing bolts, nails and holes may **not** be used for mounting props or otherwise.
- Altering of chaparral vegetation may be considered at park's discretion, please inquire.

NOT A PERMIT

- Climbing or use of ropes (or similar) on rock face above caves is prohibited due to shifting. NO EXCEPTIONS.
- Open flame cooking must be cleared with on-site Fire personnel in conjunction with park monitor.
- Company is responsible for clean-up and off-site disposal of all self generated trash, which may include trash along the dirt road and hillsides.
- Company must provide restroom facility from beginning to end of the reservation period.
- Large trucks may not enter/exit park between the hours of 11pm-7am, including catering trucks. NO EXCEPTIONS.
- All vehicles must be parked in lower dirt parking lot or at caves (limited). All vehicles must remain at least 5 feet away from existing chaparral. **No street parking.**
- Must leave at least 10 parking spaces in southern part of lower dirt parking lot available for park patron use. Additional parking restrictions may apply, inquire with park coordinator.
- Due to the area being a mountain fire district, "Red Flag" days will be designated as necessary by LAFD which may impose more infringing fire safety guidelines. Inquire with Fire Department.
- Any pre-approved changes or accidental damages must be promptly restored to original or better conditions.
- Company must maintain a 20ft unobstructed emergency access lane at all times in the parking lot and along the road leading up and around the cave.
- No staking into ground. Companies must use weights, sandbags, buckets of water to hold down any tents or props.
- No staking or digging allowed.
- Generators and all vehicles must be placed 75ft away from caves.
- Company is responsible for posting a crew member at gate to monitor production vehicles entering and must make sure the public does not gain access behind the gate with their vehicles.
- Smoking is only allowed in designated areas specified by a park film monitor or Fire Marshall.
- Smoking not permitted without a monitor or Fire Marshall present.
- Designated smoking areas in park must be away from public activity.
- Large water or sand filled buckets need to be present in smoking areas at all times.
- Smoking area may be revoked depending on weather and fire safety needs.
- Failure to comply with smoking guidelines will void film permit and company may be subject to fines.
